

Reserve your time for the conference entitled:

## Networking for efficient private forests

An insight from five European countries

**Online conference, 28 October 2021, 10.00 – 13.00 (CET)**

Behind the delivery of the many services that forests provide are people - forest owners with a wide range of skills. The increasing multifunctional role of forests in the transition to a sustainable future will require more skills.

### Tentative agenda of the conference:

10:00 - 10:05	Welcome and introduction to the conference
10:05 - 10:15	Net4Forest project (Nike Krajnc, Slovenian Forestry Institute)
